No Smoking Policy

You are respectfully required to abstain from smoking whilst on the premises. This rule applies to staff, parents, carers, visitors, contractors etc.

Children's health and well-being is of the utmost importance at Once Upon A Time Nursery. Smoking has proved to be a health risk and therefore in accordance with legislation, the nursery operates a strict no smoking policy within the building and anywhere within the perimeter of the building including car park and garden.

Staff accompanying the children outside the nursery are not permitted to smoke. We also request that parents accompanying nursery children on outings refrain from smoking whilst caring for the children.

Staff must not smoke whilst wearing the nursery uniform as it is essential that staff are positive role models to children and promote healthy lifestyle. If any staff chooses to smoke during breaks they are asked to smoke away from the nursery grounds.
