Supervision of Visitors Policy

Wales: NMS
24.5

At **Once Upon a Time Nursery** we aim to protect the children in our care at all times. This includes making sure any visitors to the nursery are properly identified and supervised.

All visitors must sign the visitors' log, on arrival and departure. Where applicable, visitors' identity should be checked, e.g. CIW inspectors or colleagues attending in a professional capacity such as speech and language therapists.

A member of staff must accompany visitors in the nursery at all times while in the building; at no time should a visitor be left alone with a child unless under specific circumstances arranged previously with the manager.

Security

- Staff must check the identity of any visitors they do not recognise before allowing them into the main nursery. Visitors to the nursery must be recorded in the Visitors' log and accompanied by a member of staff at all times while in the building
- All external doors must be kept locked at all times and external gates closed.
- Parents, visitors and students are reminded not to hold doors open or allow entry to any person, whether they know this person or not. Staff within the nursery should be the only people allowing external visitors and parents entry to the nursery
- The nursery will under no circumstances tolerate any form of harassment from third parties, including visitors, towards others, including children, staff members and parents. The police may be called in these circumstances.
