## Settling in Policy

The nursery staff will work in partnership with parents/carers to settle the child into the nursery environment.

A nursery visit is recommended so that your child can familiarise themselves with the nursery and staff.

Prior to the first session we offer parents 3 one hour settling sessions so that the child feels settled and the parent/carer feels comfortable about leaving the child.

Our main priority is to ensure your child feels at home and relaxed and the parent/carer is confident and happy in the knowledge that their child is in safe and caring hands.
